

What is Meals on Wheels?

Meals on Wheels provides seniors, persons convalescing, and persons with disabilities with a nutritious meal. Our meals are delivered by caring and dedicated volunteers five days a week, excluding holidays. The meals are delivered between 11:30 AM and 12:00 PM and cost only \$7.00 per meal.

Meals are prepared fresh daily at the F.J. Davey Home and always include soup, an entrée, and dessert.

What are the benefits of using Meals on Wheels?

Meals on Wheels allows a senior or person with a disability to live in their home longer, and maintain independence, dignity and quality of life. Our service also provides individuals with social interactions and ensures that individuals are safe in their home as our volunteers check in on them when we deliver the meals.

It is also proven that eating healthy meals as a senior can result in increased mental acuteness, resistance to illness, higher energy levels, faster recuperation times, and better management of chronic health problems. Individuals who feel physically well also have a better emotional wellness!
